In preference to a regular takeover to be laid out by the Municipality the acquisition of the portion proposed out of this may perhaps be sanctioned

As regards the other one, the owner proposes to build not one bungalow for himself, but 2 bungalows at a cost of Rs 5000 each for use of his family and thereafter the possession of flats by private individuals for officials may perhaps be encouraged and the land kept alone & not acquired. A note to this effect may be recorded hereafter.
